Don't forget the musical and tea from 3 to 4 this afternoon at the Public Library. Proceeds go toward purchasing books for the library.

Mr. Henry Otto, the accommodating twister of the throttle on the electric car, is down with the grip at his home in East Second street, Sixth Ward.

William Evans of the Sixth Ward is a second job, in as much as he is patiently nursing and enduring the pangs of five carbuncles. With the aid of his physician he hopes to pull through his affliction.

Opening of new mines in the mountains of Kentucky has caused great activity in railroad extension, and several lines are building tracks into the new territories. The L. and N. is double-tracking long portions of several of its branches.

The Republican State Central committee will meet in Louisville Thursday to fix a date for a State Convention. Senator A. S. Bennett of Ohio county will probably be elected Secretary of the Committee to succeed Thomas L. Walker of Lexington.

An exemplification that prohibition does not prohibit was the mute testimony of 54 empty jugs, ranging from one to five gallons, deposited yesterday morning in front of a Market street wholesale liquor house by a back county bus driver from a dry district. They were returned for the purpose of being refilled.

An examination for teachers will be held at the High School Building on Saturday, February 23d, 1907, beginning at 7 a. m. This examination is open to all. For information as to terms and conditions, apply to Prof. D. S. Cloger, Clerk of Board of Examiners. The Examining Board is composed of Profs. C. A. Leonard, Cynthia; J. G. Crabbe, Ashland, and Rev. J. P. Whitehead, Newport.

The ladies interested in the success of the Public Library would be glad to welcome you at their musicale and tea to be given at the Library Building in Sutton street this afternoon from 3 to 6 o'clock. The Library, in late years, has become one of the most delightful places in the city for visitors and home folks, and the proceeds of this afternoon's affair will be devoted solely to the needs of the institution.

SMALL BLAZE.

There was a small blaze yesterday morning about 9:30 at the home of William Campbell in East Second street, Sixth Ward. A spark ignited the roof and had it not been discovered in its incipency would have resulted in considerable loss, as the wind at the time was blowing almost a gale and the flames would certainly have extended to nearby buildings.

Fortunately the fire was extinguished by a bucket brigade, although the Sixth Ward Fire Department responded promptly and was on the ground ready for service had their aid been needed. The property belonged to Mr. Robert Ficklin. The damage was slight.

Police Court.

Lee Stewart, arrested for shooting at Policeman John Bradford with intent to kill, had his examining trial yesterday before Judge Whitaker and was held for appearance at the next term of the Mason Circuit Court in the sum of \$200, and in default was committed to Jail.

Farmer Violated His Contract—Suit Results

Mr. Charles Ingram of Helena is a box in his haste to dispose of his tobacco.

Mr. Ingram had pooled his crop with the Society of Equity and was bound by contract in the matter of its disposal, and now that he has violated his obligation he has incurred a lawsuit that will entail a cost far above the advanced price he received for it.

The Equity Society means business. They intend to be fair and demand to be treated fair. No monkey business goes.

Sallee & Slattery have been instructed to enter suit for damages.

Shooting Affray at Aberdeen

Narrow Escape for Bar-keep Huron

John Cheeks, a notorious and dangerous colored character, fought a pistol duel last night with Harry Huron, bartender at the Mineral Well Hotel, Aberdeen, in which about twenty shots were fired between them.

The shooting was the result of Huron refusing to sell the colored desperado whisky, and had not the former taken advantage of a friendly nearby tree his body would have been perforated full of holes.

Marshal L. D. Poor arrested Cheeks and placed him in charge of two guards from whom he shortly afterward made his escape and is now sojourning in this city.

Wheeler Cheeks and James Hawkins, are in the Aberdeen lock up charged with being accessory to the shooting.

A brother, Charles Cheeks, equally as bad a man, was ground to pieces a few years ago on the Front street viaduct by being run over by a Westbound C. and O. train.

Much has been written of Mr. Wellman's preparations for his daring plan to reach the North Pole by balloon, but it has remained for the moving picture camera to reveal adequately the elaborate preparations now in progress at Dane's Island. These scenes will be shown by Lyman H. Howe in Maysville on Wednesday, February 13th. Incidentally they also show life in a Lapland village, the trophies of an Arctic hunt, and a large splendid portrait of Mr. Wellman. The habits, customs and industries of Ireland in town and country will also be revealed as well as many of its quaint characters.

SCORE another victory for the farmer. The Government is going to allow him to manufacture denatured alcohol.

PENSION legislation seems now to be almost a closed incident. The last enactment leaves no ground to cover, says The Enquirer.

THE proportion of manufactures in our total exports in 1906 was 42% against 30% in 1896. And this gain has been made under the protective system.

IN talking of car shortage, E. H. HARRIMAN declares that shippers are to blame because they use freightcars as warehouses and fail to unload them. Good deal of truth in that declaration.

THE State Board of Agriculture is planning an Ohio home going on a statewide scale for the coming fall. It is to be carried out in connection with the state fair and is to be arranged on the plan of the Kentucky home-coming at Louisville, which was so successfully carried out a year ago.

INSTEAD of decreasing the number of fatalities on the railroads in the United States continues to show an alarming increase. The report of the Interstate Commerce Commission for three months ending September 30th, 1906, tells a shocking story and gives the total number of casualties to passengers and employees as 19,830. This is nearly 3,000 increase over the previous quarter.

NINETY poor, half starved children from the mountains of Kentucky, were recently taken to the Kentucky Children's Home Society at Louisville. Mr. GEORGE L. SEHON, superintendent, states that the work of saving these children is growing harder every day because there are more of them.

THE official figures of immigration in the last fiscal year make the total number 1,100,735, an increase over the previous year of 106,598. There were 764,463 males and 336,272 females. The number of aliens rejected and deported was 12,432. The report says further: "That the physical and mental quality of the aliens we are now receiving is much below that of those who have come in former years is evident."

UNCLE SAMUEL has just withdrawn one and a half million acres more of Western range land to go into forest reserve. Thus continues to diminish the area that formerly fed the cattle and sheep which for years crowded New England's stock out of the race. Old men will live to see New England supplying a goodly share of her people with home grown meats unless we read the signs of the times incorrectly. —Maine Farmer.

WITH reference to the agitation for the closing of the Postoffices on Sundays the Postmaster General says a failure to keep them open would result in the necessity of an 8% increase in the Postoffice force throughout the country:

"If Postoffices were closed at midnight on Saturday night and were to remain closed until the same hour on Sunday night great congestion and delay in the delivery and dispatch of mail would result," says the Postmaster General. "It has been estimated that in order to provide for the additional work which in that case would necessarily be performed in the six working days of the week an increase of some 8% in the clerical force would be required. It is the policy of the Government, however, to reduce Sunday labor of clerks to the lowest point consistent with an adequate service."

SALOONIST ADVERTISES

But He Doesn't Claim That Drinking Will Elevate You

Tombstone, Arizona, claims to have the frankest saloon keeper in the United States. He keeps the Temple Bar saloon and advertises his business in a remarkable manner. According to a story recently sent out from there, he has had cards printed bearing the following words: "Friends and neighbors: I am grateful for past favors, and having supplied my store with a fine lot of choice liquors, allow me to inform you that I shall continue to make drunkards, paupers and beggars for the sober, industrious, respectable part of the community to support. My liquors will excite riot, robbery and bloodshed."

"They will diminish your comforts, increase your expenses and shorten life. I shall confidently recommend them as sure to multiply fatal accidents and incurable diseases."

"They will deprive some of life, others of reason, many of character, and all of peace. They will make fathers fiends, wives widows, children orphans, and all poor. I will train your sons in infidelity, dissipation, ignorance, lewdness, and every other vice. I will corrupt ministers of religion, obstruct the gospel, defile the church and cause as many temporal and eternal deaths as I can. I will thus accommodate the public; it may be at the loss of my never dying soul."

"But I have a family to support—the business pays—and the public encourages it."

"I have paid my license and the traffic is lawful, and if I don't sell it somebody else will. I know the Bible says: 'Thou shalt not kill and no drunkards shall enter the kingdom of Heaven,' and I do not expect the drunkard maker to fare any better, but I want an easy living and I have resolved to gather the wages of iniquity and fatten on the ruin of my species."

"I shall, therefore, carry on my business with energy, and do my best to diminish the wealth of the nation and endanger the safety of the state. As my business flourishes in proportion to your sensibility and ignorance, I will do my best to prevent moral purity and intellectual growth."

"Should you doubt my work, I refer you to the pawnshops, the poorhouses, the police court, the hospital, the penitentiary and the gallows, where you will find many of my best customers have gone. A sight of them will convince you that I do what I say."

"Allow me to inform you that you are fools and I am an honest saloon keeper."

THANKFUL

To my many friends and the public generally who have in the past extended to me such a liberal share of their patronage, which has helped so materially in making my business career in Maysville such a success: I want to assure all that I fully appreciate what they have done for me, and promise that I shall, by renewed efforts, endeavor to retain the confidence of the public by pursuing the same course of fair dealing and polite attention in the future as in the past and selling the very best goods at the most reasonable prices.

My stock is now the largest and most varied it has ever been my pleasure to offer to the public, consisting of every article in the Staple and Fancy Grocery line. These goods are fresh and new and of the very best quality. My last shipment of New Crop Open Kettle Molasses is now in and they are strictly fancy, and in spite of the fact that prices on these goods have materially advanced I am still selling them at the very low price of 50c per gallon. My stock of CANNED GOODS is unusually large and the quality of the very best.

The demand for FLOUR is rapidly growing because it is beyond a doubt the very best Flour sold in Maysville or that can be made. It has no superior anywhere. I am still selling these goods at 15c, 20c and 25c per pound, and if you want a strictly fancy high grade Mocha and Java, the finest that can be produced, don't fail to call for the famous "Barrington Hall" steel cut, sold only in one-pound airtight tins at 15c per pound. A fresh supply of fall catch stock-cel just in. If you want something extra try one of my fancy Bloater Mops, heads and tails off.

A big invoice of very fine Premium Chinaware just in, a sample of which may be seen in my warehouse window. These goods I give to my CASH customers in red-emption tickets given out with their cash purchases. Until further notice DOUBLE TICKETS will be given with each cash purchase on SATURDAYS. My taking advantage of this proposition the purchaser will very soon accumulate enough tickets to secure a fine set of china FREE OF COST.

I buy strictly fancy Table Butter, Fresh Eggs and Country Produce generally, for which I pay cash or trade at lowest cash prices. I want everyone to come and see me; all are welcome. If you don't want to buy it will be a pleasure for me to show you the cleanest, the cheapest and the best kept store in Northeastern Kentucky. Thanking all again, I am most sincerely,

FIFTEEN YEARS OF ECZEMA

Affected Hands, Arms and Legs—Endured Terrible Itching and was Unable to Sleep—Would Tear the Bandages to Scratch the Skin—In less than One Week

CURED BY THE CUTICURA REMEDIES

"I had eczema nearly fifteen years. The affected parts were my hands, arms and legs. They were the worst in the winter time and were always itchy, and I could not keep from scratching them. I had to keep both hands bandaged all the time, and at night I would have to scratch through the bandages as the itching was so severe, and at times I would have to tear everything off my hands to scratch the skin. I could not rest or sleep. I had several physicians treat me but they could not give me a permanent cure, nor even could they stop the itching. After using the Cuticura Soap, one box Cuticura Ointment and two bottles Cuticura Resolvent for about six days the itching had ceased, and now the sores have disappeared, and I never felt better in my life than I do now. Edward Worrell, Band 30th, U. S. Infantry, Fort Crook, Nebraska."

The most torturing and disfiguring humors, eczemas, rashes, itchings, irritations, and inflammations of the skin, scalp, and blood, with loss of hair of infants, children, and adults, are instantly relieved and speedily cured by the Cuticura Remedies, when all else fails.

Complete External and Internal Treatment for Every Humor of Infants, Children, and Adults consists of Cuticura Soap (25c) to Cleanse the Skin, Cuticura Ointment (25c) to Heal the Skin, and Cuticura Pills (Chocolate Coated 25c, per box of 60) to Purify the Blood. CLEAR THE STREET

Visitors to the Tobacco Fair Will Be Disgusted

It is to be hoped that the street cleaning brigade will awake from its groundhog sleep and get a move on itself in time to remove the mountain high accumulation of filth and mud that now adorns our beautiful new brick streets before the 22d of February arrives.

Otherwise our Cincinnati, Louisville and other visiting friends, who are expected to throng the city on that date will not be able to observe the progress we have made since their last visit, and that instead of the same old mud roads we have real metropolitan streets.

The city throughout is in a fearful dirty condition and needs immediate attention.

Mrs. Temple's Telegram.

Quite the best thing that will be seen here this season is "Mrs. Temple's Telegram," the vivacious and mirthful little farce-comedy, which will appear at the Washington Monday, February 18th. Original and engaging in plot, clean in tone and delightfully sprightly in action, the piece is one to enchant the most blasé theater-goer. The story is woven about the adventures of Jack Temple, a brilliant and lovable young scapegrace, who, being so indiscreet as to stay out all night, has the temerity to tell his wife truth when he goes home in the morning. To his surprise he finds he is not believed by his better half, so he concocts an ingenious fabrication, which he offers in place of it. This goes down beautifully at first, but eventually involves the Temples, their household and friends in a maze of difficulties so ingenious and laughable as to keep the fun going without cessation till the fall of the curtain. The staging and costumes, it is said, are the richest, and altogether the production will be the most notable this season has offered so far.

Dr. E. E. Kidwell and Mr. Everett Dunham of Dover were in Maysville en route to Winchester. The former will open a handsome new drugstore in the Brown-Proctoria hotel.

The body of Miss Anna Baron, who disappeared from her home in Louisville last December, was found in the Ohio 30 miles below Louisville. Three years ago her sister disappeared under similar circumstances and later her remains were found in the river. Both suicides were the result of ill health.

A SUGGESTION

While the earth is snowclad and Jack Frost is King it is a very poor time to make repairs on the outside of buildings, but no better time could be selected for repairing the inside. Carpenters are not busy and can give your work closer attention than during the rush incident to springtime. It is also a good time to get your orders booked for planing-mill work. We have quite a lot of orders on our books, and will have many more as soon as the bright days come. GET IN BEFORE THE RUSH.

WORKS WONDERS

A Wonderful Compound—Cures Piles, Eczema, Skin Itching, Skin Eruptions, Cuts and Bruises.

Doan's Ointment is the best skin treatment, and the cheapest, because so little is required to cure. It cures piles after years of torture. It cures obstinate cases of eczema. It cures all skin itching. It cures skin eruptions. It heals cuts, bruises, scratches and abrasions without leaving a scar. It cures permanently. Maysville testimony proves it.

Mrs. Kate Poth, living at the corner of Clark street and Forest avenue, Maysville, Ky., says: "I gave a statement about Doan's Ointment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy. For a long time I had an itching or eczema of the scalp. It broke out in spots and sometimes the spots would appear on my forehead and temples. The itching was particularly troublesome just before a rain, and was then so intense that I could not sleep at night. It required only a short use of Doan's Ointment to cure the trouble, and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend also had eczema and tried everything for it but never found anything to remove the annoyance. On my recommendation she used Doan's Ointment and was absolutely cured."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
